

*If that same dove were to take wing today, what harbinger would she return with? Would it be an olive branch? Or would it be perhaps a bullet from a sniper's rifle...maybe a piece of razor wire from the separation barrier...a fuse from an explosive...or a chunk of rubble from a bulldozed house?*

*Noah also sent out from himself a dove, to see if the waters had receded from the face of the ground. But the dove found no resting place for her foot, and she returned into the ark to him, for the waters were on the face of the whole earth...He he waited another seven days, and again he sent the dove out from the ark. Then the dove came back to him in the evening, and behold, a freshly plucked olive leaf was in her mouth...*

*Genesis 8:8-11*

## The Wall

All in all, the wall is expected to have a devastating impact on the lives of some 210,000 Palestinians, living in 67 towns or villages. 11,700 people in 13 villages will be imprisoned between the wall and the green line. At the demand of the Israeli settlers, the wall is planned to move far further to the east, to include the settlements of Ariel, Emanuel and Kedumim. This will increase dramatically the number of Palestinians who will be affected by the wall.
